

TRIFECTA[®] KIT Exceeds ANSI Z87.1 High Impact Requirements

TRIFECTA FEATURES

A crush-resistant, care-free neoprene storage case is included with each kit to protect the lenses while they aren't being used.

Versatile kit comes with **three interchangeable lens color options** – Clear, Gray and Amber – for a wide range of protection for indoor, outdoor and low light applications.

The **stylish, durable nylon frame** provides exceptional impact protection.

Soft, pliable rubber temple tips hold the glasses securely in place while providing **comfort for extended wear.**

TRIFECTA^{STEEL} PUNCHED Meets only ANSI High Impact Requirements

Wrap-around punched steel lens **does not fog up** or become scratched.

Lenses are **interchangeable** with the TRIFECTA KIT.

Provides **excellent eye protection** for work environments with **high humidity** and **flying particles.**
