

Exceeds ANSI Z87.1 High Impact Requirements; *CE EN166 Certified; *AS/NZS 1337

PMXCITE®

PMXCITE FEATURES

Lightweight frame is vented at the top of the lens, allowing air to circulate away from the user's face and prevent fogging.

Clean, bold lines and ultra-light frame provide all-day versatility.

Adjustable rubber nose piece.

Dual-injected rubber temple tips generate a soft cushion for comfort behind the ear.

Lenses provide 99.9% protection against harmful UV rays.

PMXCITE LENS OPTIONS

-  **SB7710D****
Clear Lens with Black Frame
-  **SB7718D****
Sandstone Bronze Lens with Black Frame
-  **SB7720D****
Gray Lens with Black Frame
-  **SB7770D***
Silver Mirror Lens with Black Frame

SB7721D*
Gray Polarized Lens with Black Frame

Polarized lenses eliminate glare, which distorts the true color of objects and makes them harder to distinguish. Glare also causes a mirror-effect on wet surfaces so that objects below the water's surface cannot be clearly distinguished. Glare can be uncomfortable causing eye fatigue from squinting.

SAFETY EYEWEAR

PMXCITE APPLICATIONS

- Law Enforcement
- Construction
- Industrial
- Landscaping
- Recreation
- Maintenance
- Marine
- Agriculture
- Forestry
